ESOL courses

Introduction to ESOL (speaking, listening, reading and writing)

If English is not your first language, this course will help you to speak English in your everyday life. It will make it easier to speak to doctors, nurses, teachers and help your child with homework. If you are thinking of taking an ESOL or Functional Skills qualification then this course will help to prepare. You will be assigned to the course after attending a short placement interview with the tutor.

EXAM COURSE APPLICANTS ONLY

Enrolment on an exam course requires completion of additional information. Please complete the further detail requested below. If you are unemployed or eligible for a free course, you will also be required to complete a further declaration form, which will be sent to you once you have enrolled.

Evidence of ID If you are taking an accredited course, we are required to see evidence of ID. Please supply two of the following: passport, driving licence, ID card or other form of identification, benefits documentation, examination certificates or bank card, as well as providing us with your National Insurance number. Existing students need only supply one form of ID. We appreciate that existing students will have supplied ID in previous years, however, it is a condition of funding that ID is seen each year.

Your highest qualification – please tick one box that applies to you

General Information

Course fees and how to pay?

- Cheque – please make cheques payable to East Sussex County Council, quoting the course code on the reverse of the cheque.
- Credit/Debit card (with form or by phone)
- Cash (in person)
- By Instalments by standing
 - fees between £115 - £199 – 50% of fee paid on enrolment and 2 monthly payments of 25%
 - fees between £200 - £294 – option of three equal instalments

Learners electing to pay by standing order will be liable for the full cost of the course. Should they withdraw from the course for any reason other than medical, they will be liable to pay the course fee in full.

Are you entitled to pay the reduced fee?

Reduced fees are only available on courses which receive funding from the Education and Skills Funding Agency (ESFA) and students who apply for reduced fees will be checked for eligibility at the start of their course.

Eligibility for free examination courses or reduced course fees on non-examination funded courses will be subject to the student providing proof of being in receipt of certain means tested benefits.

Further financial support may be given from ACRES Discretionary Student Support fund to students experiencing financial hardship.

For further information about reduced fees and which benefits are eligible, see the FAQ on our website or telephone the ACRES' office.

Refunds

Cooling Off Period

If you enrol on a course, you are entitled to cancel your enrolment within 14 days and you will be refunded. If you wish to cancel your enrolment within this period, you must notify us of your cancellation, in writing or by email. If, however, you wish to enrol on a course which starts within the 14-day cooling off period, you will waive your right to receive a refund in the event of a cancellation. Please note the cooling off period does not apply if enrolling in person at the ACRES' Office.

Courses Cancelled by ACRES

Students are refunded fees in full if ACRES cancel their course. A course may be cancelled if minimum numbers are not achieved. Should this happen, you will be offered the choice of a transfer to another course or a refund of the fee paid.

Withdrawing from a Course

After a course has been confirmed as running, all course fees are payable and no refunds will be made. By enrolling on a course, students agree to pay the course fee, and accept that changes to their personal circumstances, which may prevent them from attending the now arranged course, will not be grounds for requesting a refund. Should a student be unable to attend a course or withdraw from a course before all sessions have taken place, the place and fees are not transferable to another student, or course.

If students withdraw from a course we will only consider refunding fees for the remaining part of the course if the withdrawal is on certified medical grounds (not casual illness/sickness) or in exceptional, extenuating circumstances at the discretion of ACRES' senior management team. Applications for refund of fees should be supported by medical evidence (e.g. hospital/doctor's appointment card, letter or medical certificate) or a rationale for consideration for exceptional circumstances and an administration charge of £10 will be deducted from any refund given.

Changes to Advertised Course

From time to time it may be necessary to change the advertised venue of a course or there may be a change of tutor to the one advertised. Neither of these circumstances would normally give grounds for refund of fees.

Support for students with additional support needs

Students attend all courses at their own risk. Students should notify us at enrolment of any additional support needs or relevant medical conditions and we will do our best to support students in their learning.

Full terms and conditions can be found on our website under FAQ. All information and details are correct at the time of going to print.

Why choose to do a course at ACRES?

- A high level of personalised customer service
- Skilled tutors passionate about their subjects and teaching
- A good learning experience (OFSTED)
- Classes closer to you
- Daytime and evening courses
- Affordable learning with many courses subsidised (ESFA funding)
- Free English, Maths and ESOL courses to eligible students

Recent feedback from an ACRES art student

“I started in September last year. I was quite good at painting when I was at school and my art teacher said I should go to art school but in those days you had to go and get a job. I am 70 years old now and so it takes a bit of courage to start something new but I am really

enjoying it. Having the classes in my local village hall has given me the opportunity to start again. The tutor is brilliant and the thing about the lessons is that our work is not supposed to look great, we’re learning, we are a work in progress, that is why every week I really look forward to coming. I would just say do it. Do it now! Just step a step forward, a bit of courage and you feel a lot better for it.”
